

Am **Em**
Lili, take another walk out of your fake world
Am
Please put all the drugs out of your hand
Em
You'll see that you can breathe without not back up
F
So much stuff you got to understand

CHORUS:

Am
For every step in any walk
Em
Any town of any thought
F
I'll be your guide
Am
For every street of any scene
Em
Any place you've never been
F
I'll be your guide

Am **Em**
Lili, you know there's still a place for people like us
Am
The same blood runs in every hand
Em
You see it's not the wings that make the angel
F
Just have to move the bats out of your head

CHORUS.

Am **Em**
Lili, easy as a kiss we'll find an answer
Am
Put all your fears back in the shade
Em
Don't become a ghost without no colour
F
Cause you're the best paint life ever made

CHORUS
