

Angels by Robbie Williams

D
I sit and wait
G **Bm** **A**
does an angel contemplate my fate
D
and do they know

the places where we go
G **Bm** **A**
when we're grey and old
Em
'cos I've been told
G **Bm7** **G**
that salvation lets their wings unfold
C
so when I'm lying in my bed
G/B
thoughts running through my head
D **C**
and I feel that love is dead
G/B **D**
I'm loving angels instead

[Chorus]

A **Bm**
and through it all she offers me protection
G
a lot of love and affection
D
whether I'm right or wrong
A
and down the waterfall
Bm
wherever it may take me
G
I know that life wont break me
D/F# **Em** **C**
when I come to call she wont forsake me
G/B **D**
I'm loving angels instead

[Verse]

D
when I'm feeling weak
and my pain walks down a one way street **G Bm A**
D
I look above
and I know ill always be blessed with love **G Bm A**
C
and as the feeling grows
she breathes flesh to my bones **G/B**
D C
and when love is dead
I'm loving angels instead **G/B D**

[Chorus]

and through it all she offers me protection
a lot of love and affection **G**
