

Breathe.txt

(Pop ; Pink Floyd ; Breathe)

Em
Breathe, breathe in the air *A* Don't be afraid to care
Em *A*
Leave but don't leave me Look around and chose your own ground
C
For long you live and high you fly
Bm
And smiles you'll give and tears you'll cry
F
And all you touch and all you see
G *G7 B*
Is all your life will ever be
Em *A*
Run, run rabbit run Dig that hole, forget the sun,
Em *A*
And when at last the work is done Don't sit down it's time to start another one
C
For long you live and high you fly
Bm
But only if you ride the tide
F
And balanced on the biggest wave
G *G7 B*
You race toward an early grave.

Em *A* *Em* *A*
Home, home again I like to be there when I can
Em *A* *Em* *A*
When I come in cold and tired It's good to warm my bones beside the fire
C
Far away across the field
Bm
The tolling of the iron bell
F
Calls the faithful to their knees
G *G7* *B*
To hear the softly spoken magic spells.
