

shout.txt

(SHOUT ♠ Tears for fears)

(CHORUS ♠)

Gm *Bb*
Shout, shout, let it all out, these are the things I can do without

C *Gm*
Come on, I'm talking to you, come on

Gm *Bb*
Shout, shout, let it all out, these are the things I can do without

C *Gm*
Come on, I'm talking to you, come on

Bb *C*
In violent times, you shouldn't have to sell your soul

Bb *C*
In black and white, they really really ought to know

Bb *C*
Those one track minds that took you for a working boy

Bb *C*
Kiss them goodbye, you shouldn't have to jump for joy

C
You shouldn't have to shout for joy

Gm *Bb*
Shout, shout, let it all out, these are the things I can do without

C *Gm*
Come on, I'm talking to you, come on

Bb *C*
They gave you life, and in return you gave them hell

Bb *C*
As cold as ice, I hope we live to tell the tale

C
I hope we live to tell the tale

(I)

(CHORUS et)

Bb *C*
And when you've taken down your guard

Bb
If I could change your mind, I'd really love to break your heart

(I'd really love to break your heart)

Gm *Bb*
Shout, shout, let it all out, these are the things I can do without

C *Gm*
Come on, I'm talking to you, come on

Gm *Bb*
Shout, shout, let it all out, these are the things I can do without

C *Gm*
Come on, I'm talking to you, come on

(CHORUS (2 Fois....puis Fade.....))
