C Am Em G
Hold on to love that is what I do, now that I've found you
C Am Em G
And from above everything's stinking, they're not around you

And in the night I could be helpless
Em G
I could be lonely, sleeping without you
C Am
And in the day everything's complex
Em G
There's nothing simple when I'm not around you

[Chorus]

C Am
But I miss you when you're gone
Em F
That is what I do, babe, babe, babe
C Am
And it's going to carry on
Em F
That is what I knew, babe, babe, baby
