## STRUMMING

VERSE/CHORUS 102 bpm

BRIDGE 102 bpm

[Verse 1]

**G** **B7**  
Sitting in the morning sun  
**C** **A**  
I'll be sitting when the evening comes  
**G** **B7**  
Watching the ships roll in  
**C** **A**  
Then I'll be watching them roll away again

[Chorus 1]

**G** **E**  
Sitting on the dock of the bay  
**G** **E**  
Watching the tide roll away  
**G** **A**  
Sitting at the dock of the bay  
**G** **E**  
Wasting time

[Verse 2]

**G** **B7**  
I left my home in Georgia  
**C** **A**  
Headed for the Frisco Bay  
**G** **B7**  
I had nothing to live for  
**C** **A**  
Looks like nothing gonna come my way

[Chorus 2]

**G** **E**  
So, I'm just sitting on the dock of the bay  
**G** **E**  
Watching the tide roll away  
**G** **A**  
Sitting at the dock of the bay  
**G** **E**  
Wasting time

[Bridge]

**G**                **D**                **C**                **G**  
Looks like nothing's gonna change  
             **D**                **C**                **G**  
Everything still remains the same  
             **D**                **C**  
I can't do what ten people tell me to do  
**F**                                **D**  
So I guess I'll remain the same, check it

[Verse 3]

**G**                                **B7**  
Sitting here resting my bones  
             **C**                                **A**  
And the loneliness won't leave me alone  
**G**                                **B7**  
Two thousand miles I roam  
             **C**                                **A**  
Just to make this dock my home

[Chorus 3]

**G**                                **E**  
Now I'm just sitting on the dock of a bay  
             **G**                                **E**  
Watching the tide roll away  
**G**                                **A**  
Sitting at the dock of the bay  
             **G**        **E**  
Wasting time
