Never shows us the way, no oh oh

But I think I know the answer

CHORUS:

It's only mystery and I like it It's only mystery and I like it

B G#m E
How can the banks of a river meet
E B G#m
Sitting on her bed, staring at her feet

She thinks life is water
E G#m E
And love, love is a river, Oh Oh yeah
A E
But is a child the answer ...

CHORUS

Where we wouldn't ask any more questions
G A D G
There will be no, no more pretenders, yeah
A E B A
To use the love that I offer
A E
Dreaming is not the answer

It's only mystery and I like it, It's only mystery and I like it...
