

E C E C E
 I'm staring at a broken door, There's nothing left here anymore.
 E C A
 My room is cold, It's making me insane.

E C E C E
 I've been waiting here so long, Another moment seems to come,
 E C A
 I see the dark clouds coming up again.

CHORUS

C D
 Running through the monsoon, Beyond the world,
 Em Bm
 To the end of time, Where the rain won't hurt
 C D
 Fighting the storm, Into the blue,
 Bm Em
 And when I loose myself I think of you,
 C D
 Together we'll be running somewhere new.....

E C
 Through the monsoon.
 E C
 Just me and you.

E C E C E
 A half moon's fading from my sight, I see your vision in its light.
 E C A
 But now it's gone and left me so alone
 E C E C E
 I know I have to find you now, Can hear your name, I don't know how.
 C A
 Why can't we make this darkness feel like home?

CHORUS

C D
 Running through the monsoon, Beyond the world,
 Em Bm
 The end of time, Where the rain won't hurt
 C D
 Fighting the storm, Into the blue,
 Bm Em
 And When I loose myself I think of you,
 C D
 Together we'll be running somewhere new....
 Em Bm
 And nothing can hold me back from you,
 E C
 Through the monsoon.
 E C
 Just me and you. **ARRÊT BRUTAL**

CHORUS (1 fois).....puis FIN
