

**CHORUS :**

Em  
When I heard that sound  
C  
When the walls came down  
G  
I was thinking about you

Em  
Seconds from my heart  
C  
A bullet from the dark  
D  
Helpless, I surrender  
Am  
Shackled by your love.

Holding me like this  
C  
With poison on your lips  
D  
Only when it's over  
Am  
Silence it's so hard  
  
C Em D  
It was almost love, it was almost love  
C Em  
It was almost love

It was almost love, it was almost...

We bleed ourselves in vain

Turn around, I'm holding on to someone

But the love is gone  
Em  
Carrying the load  
C  
With wings that feel like stone  
D  
Knowing that we nearly fell so far now  
Am  
It's hard to tell  
  
C Em D  
Yeah we came so close, it was almost love  
C Em D  
It was almost love, it was almost love
