

INTRO: F Dm F (x 3)

Los Angelès- M Head

F Dm F
Leave my passport and deposit
Dm F
With the man behind a desk
Dm F
In a motel on some old boulevard
Dm F
Where the view deserves a rest

F Dm F
Try the phone just one more time
Dm F
Answering service comes on the line
Dm
My credentials give me a start
Dm
Will they warm somebody's heart?
Dm
Or if I make a sudden movement
Dm
Is it all gonna crack wide apart?
Dm C Dm C
All they ask is my name, will I call back again?

CHORUS:

Dm Bb Am G
Ooh Los Angeles and your ivy-mantled lawns
Dm Bb Am G
Ooh Los Angeles and your candy coated homes

SOLO Guitar : Sur CHORUS (x 2)

F Dm F
In this smoothiest saccharine city
Dm F
Where there's the sun to say there's a shine
Dm
Is it roasting turkeys slowly
Dm
On a never ending line
Dm
Or blinding ultimatums
Dm C Dm C
While they buy themselves more time

CHORUS

Dm Bb Am G
Ooh Los Angeles In the end do your prisoners fail?
Dm Bb Am G
Ooh Los Angeles How your guardian angels wail
Dm Bb Am G
Ooh Los Angeles How does your gar-den grow?
Dm Bb Am G
