(pop ; ; DIRTY OLD TOWN)

(Artist: The Pogues)

((Shuffle feel, very open and loose))

C
Met my love, by the gas yard wall
       F   C
Dreamed a dream, by the old canal

(Kissed my girl, by the factory wall)
      G   Am
Dirty old town, dirty old town

(*********************************)
         C
Heard a siren from the dock
     F   C
saw a train cut the night on fire
         C
smelled the breeze on the smokey wind
      G   Am
dirty old town, dirty old town

(***********************************)
         C
I'm going to make a big sharp ax
     F
shining steel tempered in the fire
     C
I'll cut you down like an old dead tree
     G   Am
dirty old town, dirty old town

(**************************************)
         C
Clouds are drifting on the street
     F
Cats are prowling on their beats
     C
Springs a girl on the streets at night
   G   Am
dirty old town, dirty old town

(**************************************)

       C
Met my love, by the gas yard wall
        F
Dreamed a dream, by the old canal
       C
Kissed my girl, by the factory wall
     G   Am
Dirty old town, dirty old town
