[Verse 1]
```
  Am                    G
Baby, do you understand me now        https://youtu.be/MtYWf7nyem0
F                              E
  Sometimes I feel a little mad
          Am                                  G
Well don't you know that no-one alive can always be an angel
F                              E
When things go wrong I seem to be bad
```

[Chorus]
```
C                         Am              G
I'm just a soul whose intentions are good
G          [N.C.]                           Am Dm X2
0h Lord    please don't let me be misunderstood
```

[Verse 2]
```
  Am                 G
Baby, sometimes I'm so carefree
F                      E
With a joy that's hard to hide
          Am                                G
And sometimes it seems that all I have to do is worry
F                              E
And then you're bound to see my other side
```

[Chorus]
```
C                         Am              G
I'm just a soul whose intentions are good
G          [N.C.]                           Am Dm X2
0h Lord    please don't let me be misunderstood
```

[Bridge]
```
F          G       F          G
If I seem edgy, I want you to know
 F          G             C      Am/E
That I never mean to take it out on you
F               G          F        G
Life has it's problems and I get my share
       F                     E
And that's one thing I never mean to do, 'cause I love you
```

0h, oh, oh, baby, don't you know I'm human

Have thoughts  like  any  other  one

Sometimes I  find myself  long  regretting
F                              E
Some foolish thing, some little simple thing I've done
```
